12) It appears to be desirable that separate notifications are issued under sub-section(1) of Section 4 of the Mysore Laws (Extension to Bellary and Amendment) Act, 1955, in respect of each of the Acts to be extended

2) 13) The following Acts come into force immediately after issue of the notifications, by virtue of the provision contained in each of the Acts -

1 The Mysore Police Act, 1908
2 The Home Guards Act, 1941
3 The Mysore Race Courses Licensing Act,1952

3) 14) In the case of the remaining Acts, in addition to the notification under the Mysore Laws (Extension to Bellary and Amendment) Act a separate notification under the individual Act is necessary in order to bring the Act into force

1 The Mysore Public Conveyances Act, 1911

(A notification under Section 4 of the Act to make the act applicable to the Bellary and Hospet municipalities)

2 The Prevention of Juvenile Smoking Act,1911

(A notification under sub-section(3) of Section 1)

3 The Suppression of Immoral Traffic Act, 1936)

(A notification under section 1(b)

4) 15) The notification (in the case of these four Act) under the Mysore Laws (Extension to Bellary and Amendment)Act, may be issued fixing the appointe

2

appointed date and the notification under the individual Acts should be issued and published in the Gazette on the appointed date of specifying that date as the date of application of the Act

5) 16) Separate action will have to be taken by the Administrative Secretariat to extend the Rules under these Act, to Bellary District

6) 17) As regards the Mysore Public Conveyance Act, 1911, it is not known whether it is the Home Branch or the municipal Branch that is administering this Act This has to be considered in order to avoid the possibility of the Act being extended to the Bellary District by the two branches on two different dates

7) 18) In ~~view~~ case of the Mysore Police Act, 1908, also, the notifications to be issued under the Section 56 will have to be considered by the Administrative Secretariat
